THE delegation from California in  
the last House of Representatives was  
two Democrats and two Republicans.  
Now it is solid Republican, which is  
the emphatic response of the Golden  
State to a solid South.

THE Selma (Ala.) Southern Argus  
speaks right out in meeting. The first  
thing it knows a shot-gun will settle  
the bones of its editor:

Yazoo county had better been  
swamp from its place on the earth, and  
its people had better been destroyed in  
a night, than this damned crime had  
been committed.

THE Nashville American consoles  
itself with the reflection that the result  
of the recent election in California had  
no national significance. Oh, no, Mr.  
American! It has no "National signifi-  
cance," but all the same it cuts  
down that little Democratic majority  
just four in the House of Representa-  
tives. The Republicans would like a  
few more of those elections that have  
no "National significance."

GEN. WM. H. HAYS, who has re-  
ceived the appointment as District  
Judge, to fill the vacancy occasioned  
by the death of Judge Ballard, in  
Kentucky, is a native of Springfield,  
in that State. He is Lieutenant-  
Colonel of the Tenth Kentucky In-  
fantry in the Federal army, of which  
Judge Harlan, now of the Supreme  
Bench, was Colonel. He is said to be  
a good lawyer, and although not an  
active politician, is a sound, reliable  
Republican.

the Knights and Ladies of Honor, ar-  
rived home yesterday, after institut-  
ing lodges at McMinnville, Winchester,  
Chattanooga, Knoxville, Bristol,  
Jonesboro' and Rogersville.

The Supreme Lodge of this Order  
will hold its second annual session at  
Boston next Monday. N. K. Pullen,  
of Memphis; Horace C. Smith, of  
Edinburgh, representative, and W. P.  
Ladd, committeeman from the Grand  
Lodge of Tennessee, will leave here  
this morning for Boston.—Nashville  
American.

The institution of a lodge at this  
place is a mistake so far as we know.

**Not a Beverage.**  
"They are not a beverage, but a  
medicine, with curative properties of  
the highest degree, containing no  
poisonous drugs. They do not tear  
down an already debilitated system,  
but build it up. One bottle contains  
more than a barrel of ordinary  
beer. Every druggist in Rochester  
sells them, and the physicians prescribe  
them.—Rochester Evening Express, on

To Whom it May Concern:  
After having made and witnessed  
several practical tests of the Cham-  
ber's Lightning Rod and Insulator, I  
am satisfied that the principle is a cor-  
rect one, and that it will do all Mr.  
Chamber's claims for it. I can further  
testify for its superiority over all other

## YELLOW FEVER.

MEMPHIS, Sept. 8.—Eight new  
cases, seven white and one colored,  
were reported this morning. Nine  
interments were reported since last  
night. Among the number are  
Maggie Sullivan, Annie Arnold and  
James Houck, Jr. The latter died  
at Buntyn Station.

New York, Sept. 8.—Late  
Memphis specials state that a  
long petition, couched in strong  
language, and signed by all the  
prominent citizens, including the  
principals or representatives of all  
the commercial houses in the city,  
has been forwarded to Dr. Plunkett,  
President of the Board of Health,  
at Nashville, urging the  
rule 6 of the quarantine regulations  
be rescinded, so farmers in the im-  
mediate vicinity of Mem-  
phis may bring their cotton to the  
city to be prepared for market, so  
as to realize its value. It is urged  
that if the farmers are deprived of  
this privilege they will lose their  
cotton, which is now opening in the  
fields and hands can not be induced  
to pick it, when the chances are  
that they will be forced to wait two  
months for their pay. The opinion  
is expressed with much confidence  
by Dr. Thornton, President of the  
City Board of Health, that the  
plague has passed its minimum and  
is steadily on the decline.

Special to the Nashville American.

MEMPHIS, Sept. 6.—Seventeen  
new cases were reported to-day,  
eight of whom were colored. The  
following are the names of the  
whites, and the interments as made  
by the undertakers: John Bolen,  
aged 50, old Gayoso House; Mrs.  
Bibbo, aged 46, 20 Huling street;  
H. L. Rembert, aged 25, city hospital;  
Edwin Hiesing, aged 7, 187  
Main street; Tom J. McGuire, aged  
27, 38 Second street; John H.  
Hood, aged 38, 38 Second street;  
Henry Kempf, aged 29, 295 Poplar  
street; Charles Berman, aged 3,  
229 Second street, Fort Pickering.

The death list is as follows:  
Margaret Hines, aged 45, 238  
Washington street; Daniel A.  
Faulkes, aged 20, 288 Poplar  
street; John Raquet, aged 45, 58  
Adams street; W. W. Lockard,  
aged 55, 355 Hernando road; Belle  
Mitter, aged 20, near Elmwood  
cemetery; Julia Clifford, colored,  
aged 44, 154 Poplar street; Mollie  
Boyd, colored, aged 38, 35 Causey  
street; James Owens, colored, aged  
28, 174 Linden street; William  
Tisdale, colored, aged 3, Carr  
avenue.

The Howards assigned about 20  
nurses to duty to-day. Among the  
number supplied were: Mrs. Mur-  
phy, aged 50, 90 Main street; Mr.  
Sloane, aged 50, 49 Huling street.

WASHINGTON, Sept. 8.—The  
National Board of Health to-day  
received information from Morgan  
City, La., that there has been one  
death from yellow fever.

**MAINE.**

PORTLAND, Sept. 8.—Portland,  
except the Islands, which will not  
materially change the result, gives  
Davis a majority of over six hun-  
dred. Cape Elizabeth and Deering,  
Democratic towns, are reported to  
have gone Republican. The vote  
in Portland, including the Islands,  
is as follows: Davis, (Rep.) 3,411;  
Garcelon, (Dem.) 1,460; Smith,  
(Greenbacker) 1,295; scattering,  
21. The Republican majority over  
all is 615. This is nearly a final  
result, and is a Republican gain of  
nearly seven hundred over last year,  
when they lacked 48 of a majority.

Twelve cities and towns, including  
Portland, Bangor, Lewiston and

Auburn, gives Davis 6,806 majority  
over Smith and Garcelon.

LEWISTON, Sept. 8.—This city  
gives Davis, 1,411; Garcelon, 851;  
Smith, 13. Three Republican Rep-  
resentatives were elected. Auburn  
gives Davis, 1,214; Smith, 567;  
Garcelon, 389. Two Republican  
Republican Representatives are  
elected, and probably the Republi-  
can County and Senatorial ticket is  
elected. Damariscotta shows a  
gain of 50 for Davis.

BANGOR, Sept. 8.—Bangor gives  
Davis 675 majority, a gain of 485  
over last year. Three Republican  
Representatives are elected. Total  
vote 3,491: Davis, 1,933; Smith,  
1,066; Garcelon, 469; scattering 23.  
Last year the total vote was 3,278;  
Connor, 1,584; Smith, 1,496; Gar-  
celon, 192; scattering, 6. Republi-  
cans are jubilant over the result.

BREWER gives a Republican ma-  
jority of 204, a gain of 150 over  
last year. All the towns thus far  
reported in this vicinity show  
large Republican gains.

DEXTER, ME., Sept. 8.—This was  
the most exciting State election  
ever known in this town. The re-  
sult is: Davis, 345; Smith, 276;  
Garcelon, 35.

**CALIFORNIA.**

SAN FRANCISCO, Sept. 8.—The  
complete count in the city gives the  
following result: The Workingmen  
elected the Mayor, Sheriff, Auditor,  
Treasurer, Tax Collector, Public  
Administrator, Surveyor, District  
Attorney, City and County Attor-  
neys, Police Judge, one Supervisor,  
five members of the Board of Edu-  
cation and Railroad Commissioner  
for the city district. The Republi-  
cans elected the Assessor, Recorder,  
Coroner, County Clerk, Superin-  
tendent of Schools, Superintendent  
of Streets, eleven Supervisors,  
seven members of the Board  
of Education and members of the  
State Board of Equalization, and  
re-elected Congressman Davis. The  
Superior Judges elected are mostly  
on tickets of all parties. Some of  
the officers are elected by majorities  
so small that the official count may  
result in some changes.

A fire at Marysville last night  
destroyed the storehouse of E. C.  
Ross, on High street, the store of  
N. D. Payson, and two dwellings  
adjoining. Loss \$80,000.

**TENNESSEE.**

NASHVILLE, Sept. 6.—The Au-  
gust report of the Agricultural Bu-  
reau shows that the cotton has been  
somewhat damaged by cold nights  
and rains, but not so much as to  
materially affect crops. The pros-  
pects were never better. The corn  
prospects have been wonderfully  
improved by recent genial rains.  
The average is so much larger than  
heretofore that the crop will far  
exceed the usual average. The to-  
bacco average will not be as large  
as last year, but the quality will be  
better with prospects of a good  
crop. The peanut average is in-  
creased with a favorable season.  
The fall crops are generally flatter-  
ing.

**NEW YORK.**

NEW YORK, Sept. 6.—The regu-  
lar quarterly meeting of the United  
States Board of Trade will be held  
at St. Nicholas Hotel Wednesday  
and Thursday next. The meeting  
will be called to order by Hon.  
Nathan Appleton, of Boston, Presi-  
dent of the Board, who will deliver  
an opening address. On Wednes-  
day evening, Mr. Appleton will pre-  
sent the subject of the Inter Ocean  
Canal, across Panama, as recom-  
mended by the recent Congress in  
Paris.

ALBANY, Sept. 8.—Mr. Wm.  
Purcell, Chairman of the Demo-  
cratic State Committee, has an-  
nounced a meeting of that body for  
the Tuesday night at 8 o'clock, at  
Vanderbilt House, Syracuse.

**NEW JERSEY.**

DANVILLE, N. J., Sept. 8.—A  
terrible shower of hail and rain,  
accompanied by wind, thunder and  
lightning swept over this vicinity  
last night, shortly before midnight.  
Hail fell for ten minutes, many  
of the stones being larger than  
black walnuts. Great damage has  
been done to the orchards. Buck-  
wheat is flattened to the ground,  
and immense fields of corn com-  
pletely riddled. A large number  
of trees and several outbuildings  
were blown down. At Camp Tabor  
tents were loosened and blown in  
every direction. The storm came  
from the southeast and passed up  
into the mountains.

the collapse of two potato flour  
mills. Great popular excitement  
prevails. There is some rioting and  
the police are obliged to protect the  
premises of the defaulter.

**Ayer's  
Cherry Pectoral**

For Diseases of the  
Throat and Lungs,  
such as: Coughs, Colds,  
Whooping Cough,  
Bronchitis, Asthma,  
and Consumption.

The reputation it has attained, in consequence  
of the marvelous cures it has produced during  
the last half century, is a sufficient assurance to  
the public that it will continue to realize the happiest  
results that can be desired. In almost every  
section of country there are persons, publicly  
known, who have been restored from alarming and  
even desperate diseases, by its use. All who have  
tried it, acknowledge its superiority; and where its  
virtues are known, no one hesitates to  
use it to what medicine to employ to relieve the dis-  
tress and suffering peculiar to pulmonary affec-  
tions. CHERRY PECTORAL always affords in-  
stant relief, and performs rapid cures of the mildest  
varieties of bronchial disorder, as well as the  
more formidable diseases of the lungs.

As a safeguard to children, and the distress-  
ing diseases which beset the Throat and Chest  
of Childhood, it is invaluable; for, by its timely use,  
multitudes are rescued and restored to health.

This medicine gains friends at every trial, and  
the cures it is constantly producing are too re-  
markable to be forgotten. No family should be  
without it, and those who have once used it  
never will.
